

WOMEN'S DISCERNMENT GROUP

We are beginning a women's discernment group.

This is a group of college women who wish to get together once a month and share prayer, faith, and supper.

Our purpose is to find the direction God might be calling you to such as a particular career, or whether God is calling you to marriage, single life, or a religious life.

Hopefully one will develop a deeper prayer life, a style to discern life directions, a place where you can ask questions, and to make good friends

If you are a college age female student who would like to come and check this group out please contact Sr. Rose by email srrose@binghamton.edu

We will be meeting **once a month** on **Monday nights at 6pm**. We will start with dinner. If you have class come after class. The dates are as follows:

Feb 5th March 12th April 2nd May 7th
