WELCOME BACK

Welcome back to all our returning students, faculty and administration and especially, to new students and transfer students! We remind you that the Newman House is here for you....Our purpose in being here is to enrich your University experience, especially your ongoing spiritual growth and experience of Church community and life while at school.

Daily Mass: Monday-Wed-Fri.....9:00 am

Weekend Masses: Saturday.....5:00 pm

Sunday.....10:00 am

5:00 pm

Confessions are heard one half hour before each Mass, or by appointment.

Please enter into retreat, education and service projects throughout the year. Your presence is a gift to our faith community.

We have accomplished much over the summer and are anxious for you to see some changes. Especially, the new community room and kitchen is beautiful and awaiting your use! Remember that the house is WIFI compatible so your computers will work here if you need a place to study.

We have a retreat scheduled with Syracuse Univ., Cortland State, Oswego State, etc. for September 17-18 Mark your calendars!

In addition, to celebrate the Beatification of our patron, John Cardinal Newman (the last step towards Sainthood!) on September 19th, by the Holy Father, Benedict XVI, our own Bishop, Robert Cunningham will be with us

to celebrate Mass and a meal afterwards. Mass at 5:15 pm and meal afterwards.

If any of you are in need to finish your Sacraments of Initiation (Baptism, Confirmation, and Eucharist) please let Fr. Corey know and consider joining in our RCIA (Rite of Christian Initiation of Adults) program of instruction for being received fully into the Church.

We also will be offering a Bible Study Program and look for your input into time and place.

You can help in a couple of ways: pray for the success of our fund raising for projects, encourage your parents, other family members and friends with means to support Newman House financially, offer your voice, talents and time for the refurbishing of Newman House, pitch in with Fr. Corey for any of the “grunt” work that must be done. Also, take advantages of programs here at Newman House for our growth in spirit, community and presence to the wider University community. Remember, this is our house and God's home!
