OCTOBER 2023

## OCTOBER AT NEWMAN HOUSE

Newman House enjoyed the cool Autumn weather with many activities this month! After our regular *Eat, Pray, Love* event, students enjoyed our newly donated fire pit by the creek along with some s'mores and music.

Newman House members joined in on an Interfaith Hike with Professor Graney on a new path in the Binghamton Nature Preserve. Students enjoyed the fall scenery while reflecting on the words of religious hymns about creation.

Of course with the beautiful colors of the fall comes the yard clean up! Newman House members helped clean up the property and prepare for the Winter by raking leaves and shaping up the yard. Thank you to all for your time and efforts in keeping our space beautiful, especially for our open house weekends where alumni visited!

# GETTING SOCIAL

As a community, we love spending time with each other. In addition to the s'mores and hiking, we completed a night time corn maze, carved pumpkins together, and continued to grow closer at EPL and Men's and Women's groups.

# SERVICE

Our Service Committee put an emphasis on mental health in the community by hosting a service event to make cards of encouragement to hand out. As an E-Board, we have also successfully launched a Binghamton chapter for the Catholic Relief Services (CRS). We look forward to sharing more as we move forward!

# NOVEMBER AT A GLANCE
