WINTER 2023-2024

## WINTER AT NEWMAN HOUSE

Lots has happened this Winter at Newman House! From our Christmas celebrations to the start of a new semester, our community has been busier than ever. Our Christmas party was a great success with Bible trivia, gift giving, and a service project!

For the service project, students designed Christmas cards for people at Lorde's hospital. Additionally, Newman House volunteered to help out with the annual Toys for Tots!

Newman House has continued to grow as a tight knit community while deepening our faith and diving into service for all those around us such as at Soup and Sandwich Saturdays, help with local charities like the Samaritan House and Nearly New shop, fundraising through bake sales, and through our presence in the Binghamton University community!

## ROAD TRIP!

Taking our values of service and community to a new level, the Newman House took a crew on a mission trip down to Nazareth Farms in West Virginia to be fully emersed in a retreat environment while doing house work for those in need in the local community.

We worked with other college groups on building a ramp for a resident's porch, repainting community facilities, demolishing floors and reinstalling new beams and flooring. Our service was not only great for the community members, but spiritually nurturing for us! We hope to go again next year!

## OUR LENTEN JOURNEY

Newman House kicked off Lent with Ash Wednesday Mass on campus led by Bishop Lucia. Hundreds of students gathered both at mass and at our afternoon prayer service to get ashes.

Our Service Committee continues to bring opportunities of Lenten service projects through Lent Out Loud, a program based in volunteers helping those in need. It's important for students to work together to serve others outside our community as well as gather together within our community like at our weekly EPL and Stations of the Cross! We had great fun at our annual Super Bowl party and ice skating at the new Dick's House of Sports arena! We look forward to more in the Spring!
