

# NEWMAN HOUSE NEWSLETTER SEPTEMBER 2024

## BACK TO SCHOOL

We are back for another great year at the Newman House! We started the year off running with a retreat with our new E-board, a packed first mass, a trip to the NYS fair!

Students gathered after our second mass for our annual welcome back BBQ. Leadership got to work with recruiting at U-Fest (featuring Harvey Stenger) and around campus.

Weekly Eat, Pray, Love also started off on a strong note. Students wished Summer goodbye with one last firepit and s'mores event after EPL.

# GROWTH IN FAITH

New students met each other and warmed up with a ropes course retreat! We also spent time with each other apple picking and visiting the farm petting zoo!

Our intramural volleyball team “Called to Serve” had an undefeated month of games and made it to the playoffs for the first time in Newman House history!

# SERVICE

Our Service Committee brought multiple services opportunities to our committee at the Nearly New Shop and helping a local resident with house repairs. Service opportunities will continue throughout the year at the local soup kitchen, Samaritan House and more!
