

NEWMAN HOUSE NEWSLETTER WINTER 2024-2025

WINTER AT NEWMAN HOUSE

Much has happened this Winter at Newman House! The Fall 2024 semester ended with Thanksgiving and Christmas celebrations where the community broke bread together and shared the joys of the season through games, service, and quality time.

Our community also embraced the cold together at our ice skating social event! Look out for more ice skating and other social events in the Spring semester! We have at least 1 social event every month!

SERVICE

One of our favorite things to do as a community is service projects! We visited Samaritan House in Binghamton to help move boxes for a Christmas Sale. We have MANY volunteer opportunities available THIS SEMESTER! Join our email list and follow our socials for more info!

2025 MISSION TRIP TO NAZARETH FARM

Taking our values of service and community to a new level, the Newman House took a crew on a mission trip down to Nazareth Farms in West Virginia to be fully emersed in a retreat environment while doing house work for those in need in the local community.

We worked with other college groups on building stairs, a porch, and some flooring in neighbors' homes. Sharing meals, music and lots of laughter gave us a new fire and love for God and His people.

We are so proud of our students for participating and giving up phones for a week to do some good! If you are interested in attending a trip like this, we take mission trips annually and do service activities every weel.

COMING THIS 2025 SPRING SEMESTER
